2010 Points of Interest

The number of fatal crashes was less than the three-year average.

Speed-related fatal crashes were down 5 percent as troopers utilized educational efforts and enforcement initiatives that included multi-post enforcement programs and local tactical squads.

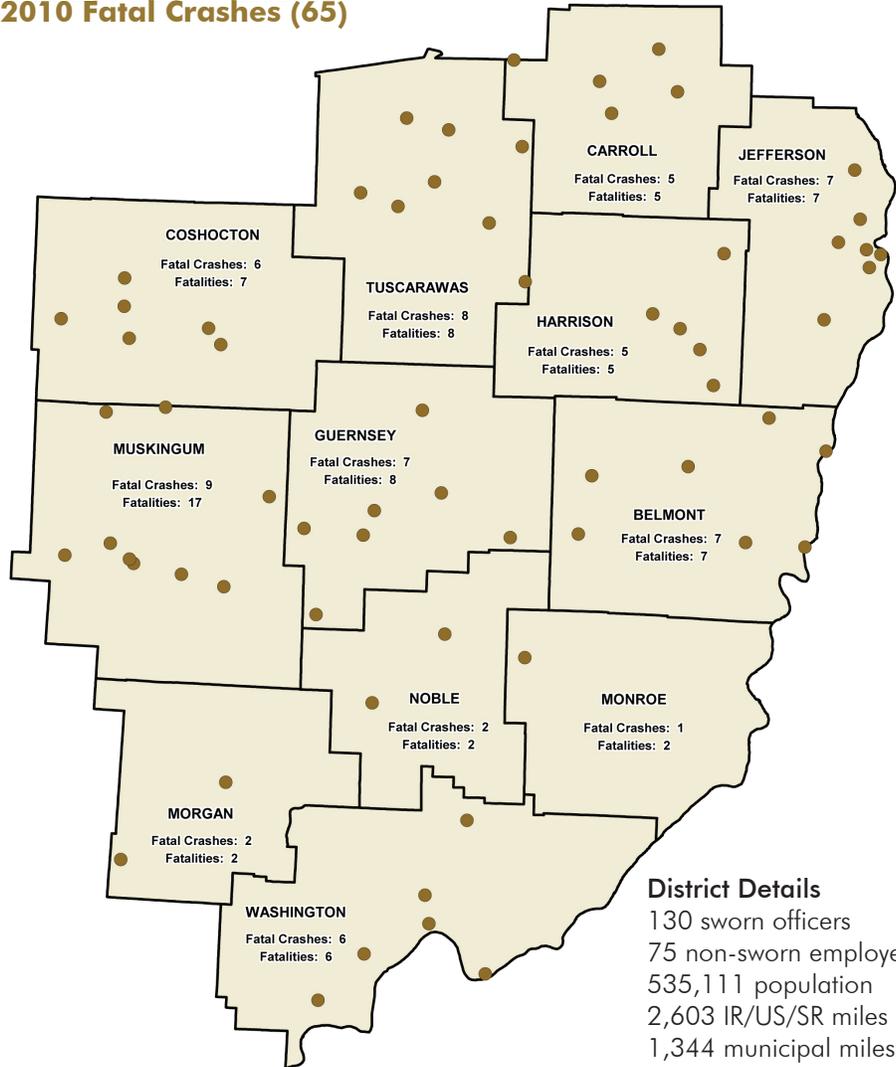

The district's safety belt compliance rate increased slightly and the number of non-restrained occupant crash fatalities declined in 2010. Troopers worked numerous safety belt tactical squads with strict enforcement of safety belt violations.

Troopers realized more success in criminal patrol with increases in stolen vehicle recoveries and felony case investigations. Officers also participated in tactical squads with the Muskingum County Sheriff's Office, Tuscarawas County Drug Task Force and for the Jamboree in the Hills country music festival in Belmont County.

Each post employed various efforts to educate children and young drivers about personal and vehicle safety.

The district's Electronic Technician Team earned statewide recognition for implementing innovative ways to reduce costs and maximize resources.
