Media staging areas for Tpr. Baldrige's funeral announced

What: Media staging areas for Trooper Andrew Baldrige's funeral have been arranged.

When: Monday, February 8, 11:00 a.m.

Where: Our Lady of Consolation – National Shrine
315 Clay Street
Carey, Ohio 43316

There will be two media staging areas outside Our Lady of Consolation – National Shrine. At the request of Tpr. Baldrige's family, the service will remain private. The best opportunity for filming will be at the conclusion of the service as the family exits.

One staging area will be located in front of the Shrine's gift shop and the other staging area will be located beside the cafeteria on West Street.

Due to size limitations at the cemetery, there will not be enough room to accommodate a media staging area.
